Terri A. Lorenzon, Director
Environmental Quality Council

To Whom It May Concern:

I WOULD LIKE TO SUPPORT THE EQC TO IMPLEMENT RULES TO ADDRESS THE CBM DISCHARGE WATER PROBLEMS. I WOULD LIKE THE EQC TO ADOPT THIS NEW RULE SO THE CBM DISCHARGE WATER COMES UNDER CONTROL OF THE DEQ ~~SO THAT~~ TO PROTECT WATER QUALITY, SOIL, VEGETATION, WILDLIFE, LIVESTOCK, AQUATIC LIFE + THE DOWNSTREAM LANDOWNERS AND THEIR EXISTING USES OF THE LAND. IT IS VERY UPSETTING THAT THE DEQ IS FAILING TO REGULATE SUCH A VITALLY IMPORTANT ISSUE.
