Mr. Mark Gordon:

I am opposed to the section 20 rule because of the harm that it will cause to the economy and State of Wyoming. The CBM industry has provided numerous jobs for Sheridan and the state of Wyoming. It's very simple: more jobs = more money. All businesses have increased profits by the increased cash flow from the industry. This rule will not only effect CBM industry, but harm ranchers as well. Once again, I strongly oppose the section 20 rule.
