Terri A. Lorenzon, Director
Environmental Quality Council

Dear Mark Goodman:
Wyoming Environmental Quality Council
122 West 25th Street, Herschler Building, Room 1714
Cheyenne, WY 82002

I am opposed to the proposed section 20 rule changes because it puts my career in jeopardy and I have a family to feed, this will cause great harm to the economy of the State of Wyoming.

I am also opposed to the proposed section 20 rule changes because it will harm many agricultural operations rather than help them.

Sincerely,

Chuck Turner
NBU Supply Chain Manager
