Environmental Quality Council
122 West 25th St.
Herschler Building, Room 1714
Cheyenne, WY 82002

Environmental Quality Council:

We would like to comment regarding the Powder River Basin Resource Council petition, requiring CBM discharge water to be put to beneficial use. We wish to express our support of the petition to help protect Wyoming's land and water, assuring that our water is not wasted.

Thank you for accepting our comments.

Sincerely,

Roland Landrey
