Dear Crook County Commissioners:

The Presiding Officer, after consultation with the Wyoming Attorney General, has decided that any person who wishes to participate as a party may do so. Therefore I am attaching hereto the Notice of Prehearing Conference and Order. While you will not lose your party status if you do not participate on Friday, it would be helpful, if you wish to participate as a party in this matter if you could be present via telephone. As a party you will have the opportunity to present evidence, to have an opening statement and to cross examine witnesses as well as any other rights outlined in the Wyoming Administrative Procedures Act and Chapter 2 and 7 of the Rules of Practice and Procedure . You can find Chapter 2 and 7 on our website.

The attached notice requests you provide the Council a contact number and email address before 10:00 tomorrow where you can be contacted to participate in the prehearing conference.

Sincerely,

James Ruby
