Dear Carson:

The Presiding Officer, after consultation with the Wyoming Attorney General, has decided that any person who wishes to participate as a party may do so. Therefore I am attaching hereto the Notice of Prehearing Conference and Order. While you will not lose your party status if you do not participate on Friday, it would be helpful, if you wish to participate as a party in this matter, if you could be present via telephone. As a party you will have the opportunity to present evidence, to have an opening statement and to cross examine witnesses as well as any other rights outlined in the Wyoming Administrative Procedures Act and Chapter 2 and 7 of the Rules of Practice and Procedure . You can find Chapter 2 and 7 on our website. If you have any questions please give me a call.

The Notice requests that you send us a phone number at which you can be reached for the prehearing conference by 10:00 a.m. tomorrow. Thank you.

Jim Ruby
