RE: In the Matter of Basin Electric Power Cooperative, Dry Fork Station Air Permit CT—4631, Docket No. 07-2801

Dear All Participating Parties;

A contested case hearing for Dry Fork Station Air Permit will be scheduled soon. To facilitate this process, the Council is asking that the Parties submit a proposed hearing schedule that details deadlines for discovery, dispositive motions, and the hearing date.

The proposed schedules should also discuss any dispositive motions that the Parties are planning on filing, any other pre-hearing items that the Parties believe need to be addressed and the amount of time needed for the hearing.

The proposed schedule shall be filed with the Council on or before November 26, 2007.

If you have any questions, please call our office.

Sincerely,

A handwritten signature in black ink, appearing to read "Joe Girardin".
