STATE OF WYOMING

Department of Environmental Quality/Division of Air Quality

PUBLIC NOTICE

Chapter 6, Section 2(m) of the Wyoming Air Quality Standards and Regulations provides that prior to final determination on an application to modify an existing source, opportunity be given for public comment and/or public hearing on the information submitted by the owner or operator and on the analysis underlying the proposed approval or disapproval. The regulation further requires that such information be made available in at least one location in the affected air quality control region, and that the public be allowed a period of thirty (30) days in which to submit comments. A public hearing will be conducted only if in the opinion of the administrator sufficient interest is generated or if an aggrieved party so requests.

Notice is hereby given that the State of Wyoming, Department of Environmental Quality, Division of Air Quality, proposes to approve a request by the following applicant to modify an existing source in Crook County, Wyoming.

Croell Redi-Mix
PO Box 1352
Sundance, WY 82729

The applicant has requested permission to modify the Rogers Rock Pit, which will include limestone crushing, screening, blasting, exposed acreage, stockpiling, haul activity, a hot mix asphalt plant and a concrete batch plant, located in the NW1/4NE1/4 of Section 25, T52N, R62W, approximately five (5) miles northeast of Sundance, in Crook County, Wyoming. The applicant estimates an annual production rate of 500,000 tons. A copy of the permit application and the agency's analysis is available for public inspection at the

Crook County Clerk's Office, Sundance, Wyoming. In accordance with the Americans with Disabilities Act, special assistance or alternate formats will be made available upon request for individuals with disabilities.

Written comments may be directed to David A. Finley, Administrator, Division of Air Quality, Department of Environmental Quality, 122 W. 25th St., Cheyenne, Wyoming 82002. Please reference AP-9645 in your comment. Comments submitted by email will not be included in the public record. All comments received by 5:00 p.m., Monday, November 2, 2009 will be considered in the final determination on this application.

Pursuant to the provisions of the Wyoming Environmental Quality Act and the Wyoming Air Quality Standards and Regulations, a public hearing relative to the requested issuance of an air quality permit for the proposed modification will be held by the Administrator of the Air Quality Division, Department of Environmental Quality at 5:30 pm, Monday, December 14, 2009, at the Crook County Library, located at 414 Main Street, Sundance, Wyoming.

The hearing will be conducted pursuant to the provisions of Chapter III of the Rules of Practice and Procedure adopted by the Environmental Quality Council, and therefore, will not be conducted as a contested case. The purpose of the hearing is to gather information concerning the emissions of air pollutants into the atmosphere and the impact of such pollutants on the ambient air quality. The scope of the hearing will be limited to such issues in order for the Department of Environmental Quality to determine whether or not the applicable Air Quality Standards and Regulations will be violated as a result of the modification and/or operation of the facility.

All persons desiring to be heard on this matter are hereby notified to appear at the designated time and place. Oral statements will be accepted at the time of the hearing, but for accuracy of the record, written statements are encouraged and will be accepted at the time of the hearing or prior thereto.

Comments may be directed to David A. Finley, Administrator, Division of Air Quality, Department of Environmental Quality, 122 W. 25th St., Cheyenne, Wyoming 82002. Please reference AP-9645 in your comment. All comments received during the public hearing or received in the Cheyenne Office by 5:00 p.m., December 14, 2009, will be considered in the final determination on this application.

PUBLIC NOTICE

Chapter 6, Section 2(m) of the Wyoming Air Quality Standards and Regulations provides that prior to final determination on an application to construct a new source, opportunity be given for public comment and/or public hearing on the information submitted by the owner or operator and on the analysis underlying the proposed approval or disapproval. The regulation further requires that such information be made available in at least one location in the affected air quality control region, and that the public be allowed a period of thirty (30) days in which to submit comments. A public hearing will be conducted only if in the opinion of the administrator sufficient interest is generated or if an aggrieved party so requests.

Notice is hereby given that the State of Wyoming, Department of Environmental Quality, Division of Air Quality, proposes to approve a request by the following applicant to construct a new source in Crook County, Wyoming.

Bruening Rock Products, Inc.
PO Box 127
Decorah, IA 52101

The applicant has requested permission to install portable crushing/screening equipment with an initial location at the Roger's Rock Pit in the NW1/4NE1/4 of Section 25, T52N, R62W, approximately eight (8) miles east-northeast of Sundance, in Crook County, Wyoming. Maximum production for the crushing/screening train is reported at 1,050,000 tons per year and 500 tons per hour. Croell Redi-Mix holds Permit CT-4526 for the Roger's Rock Pit. A copy of the permit application and the agency's analysis is

available for public inspection at the Crook County Clerk's Office, Sundance, Wyoming. In accordance with the Americans with Disabilities Act, special assistance or alternate formats will be made available upon request for individuals with disabilities.

Comments may be directed to David A. Finley, Administrator, Division of Air Quality, Department of Environmental Quality, 122 W. 25th St., Cheyenne, Wyoming 82002. All comments received by 5:00 p.m., Monday, February 25, 2008 will be considered in the final determination on this application.
