Croell Redi-Mix, Inc.
Rogers Rock Pit

Dear Commenter:

The Wyoming Department of Environmental Quality, Air Quality Division has enclosed a copy of the air quality permit referenced above to modify the Rogers Rock Pit located in the NW $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 25, T52N, R62W, approximately five (5) miles northeast of Sundance, in Crook County, Wyoming. Comments received during the public comment period and public hearing were considered in the final permit. A copy of the Division's decision document for this permit is included. There were changes made to the conditions of the permit as a result of the comments made during the public comment period and the public hearing.

If we may be of further assistance to you, please feel free to contact this office.

Sincerely,

Chad Schlichtermeier
Acting Administrator

Rogers Rock Pit

Dear Commenter:

The Wyoming Department of Environmental Quality, Air Quality Division has enclosed a copy of the air quality permit referenced above to modify the Rogers Rock Pit located in the NW¼NE¼ of Section 25, T52N, R62W, approximately five (5) miles northeast of Sundance, in Crook County, Wyoming. Comments received during the public comment period and public hearing were considered in the final permit. A copy of the Division's decision document for this permit is included. There were changes made to the conditions of the permit as a result of the comments made during the public comment period and the public hearing.

If we may be of further assistance to you, please feel free to contact this office.

The Wyoming Department of Environmental Quality, Air Quality Division has enclosed a copy of the air quality permit referenced above to modify the Rogers Rock Pit located in the NW $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 25, T52N, R62W, approximately five (5) miles northeast of Sundance, in Crook County, Wyoming. Comments received during the public comment period and public hearing were considered in the final permit. A copy of the Division's decision document for this permit is included. There were changes made to the conditions of the permit as a result of the comments made during the public comment period and the public hearing.

If we may be of further assistance to you, please feel free to contact this office.

Sincerely,

Chad Schlichtemeier
Acting Administrator
Air Quality Division
