

BEFORE THE  
ENVIRONMENTAL QUALITY COUNCIL  
STATE OF WYOMING

**FILED**

MAR 19 2010

Jim Ruby, Executive Secretary  
Environmental Quality Council

IN THE MATTER OF THE NOTICE OF  
VIOLATION AND ORDER ISSUED TO:

Dan Alexander, Owner  
Mountain Village Parks, Inc.  
PO Box 1226  
Big Piney, WY 83113-1226

Docket Number 4602-09

NOTICE OF VIOLATION

AND

ORDER

NOTICE IS HEREBY GIVEN THAT:

1. This NOTICE is being sent to Mountain Village Parks, Inc. (Mountain Village Parks) pursuant to Wyoming Statute 35-11-701(c)(i), which requires that in any case of the failure to correct or remedy an alleged violation, the director of the Department of Environmental Quality (DEQ) shall cause a written notice to be issued and served upon the person alleged to be responsible.
2. Mr. Alexander is the owner and Secretary of Mountain Village Parks, a community public water system (PWS), PWS Identification Number WY5600221, located in Big Piney, Sublette County, Wyoming.
3. Mr. Alexander has operated the Mountain Village Parks public water supply without the supervision of a certified operator since October 22, 2009.
4. Wyoming Water Quality Rules and Regulations, Chapter 5, Sections 3(a) and (b), Section 4(a) and Section 5(a) require that a certified chief and backup operator be designated for each regulated facility.
5. Mr. Alexander has operated Mountain Village Parks without backflow prevention devices.
6. Wyoming Water Quality Rules and Regulations, Chapter 12 Section 14(i)(i) requires that there shall be no water service connection installed or maintained between a public water supply and any water user whereby unsafe water or contamination may backflow into the public water supply.
7. Mr. Alexander has operated Mountain Village Parks without adequate water supply.
8. Wyoming Water Quality Rules and Regulations, Chapter 11 Section 59(c) requires that there shall be adequate water supplied to mobile home residences.
9. Wyoming Water Quality Rules and Regulations, Chapter 12 Section 9(b)(i) requires that there shall be groundwater sources of adequate number and capacity to supply a public water supply system.
10. Mr. Alexander has operated Mountain Village Parks without an alternate power supply.
11. Wyoming Water Quality Rules and Regulations, Chapter 12 Section 8 (d)(iii) requires that there shall be alternative power supplies to ensure delivery of the maximum daily demand.
12. Mr. Alexander has operated Mountain Village Parks without disinfection capability.
13. Wyoming Water Quality Rules and Regulations, Chapter 12 Section 8(c)(ii) requires that there shall be disinfection equipment and connections present.
14. Wyoming Water Quality Rules and Regulations, Chapter 12 Section 10(k)(i)(B) requires that chlorinator capacity be able to provide disinfection dose of 5mg/l on a maximum water use day.

15. Pursuant to Wyoming Statute 35-11-901(a), any person who violates any provision of the Environmental Quality Act (Act), or any order, rule, standard, permit license, or variance adopted there under, is subject to a penalty not to exceed ten thousand dollars and no cents (\$10,000.00) for each violation for each day during which the violation continues. The penalty may be recovered in a civil action brought by the Attorney General in the name of the People of the State of Wyoming.

**ORDER**

**BEFORE THE ENVIRONMENTAL QUALITY COUNCIL – STATE OF WYOMING**

**WHEREFORE IT IS HEREBY ORDERED THAT:**

1. No later than 30 days from the receipt of this order, retain an appropriately certified chief operator to comply with Water Quality Division (WQD) Rules and Regulations Chapter 5.
2. No later than 30 days from the receipt of this order, return the enclosed operator designation form for the chief operator to comply with WQD Rules and Regulations Chapter 5.
3. No later than 30 days from the receipt of this order, retain a backup operator that either has appropriate certification or will achieve appropriate certification within six months to comply with WQD Rules and Regulations Chapter 5.
4. No later than 30 days from the receipt of this order, return the enclosed operator designation form for the backup operator to comply with WQD Rules and Regulations Chapter 5.
5. No later than 30 days from the receipt of this order, retain a licensed Wyoming Engineer to address design standards required of public water supply systems, including adequate water supply, adequate water pressure, disinfection capability, backflow prevention, alternative power sources, distribution system design, and proper well completion and abandonment standards to comply with the standards of Chapter 12 and Chapter 11 Part F Section 59, WQD Rules and Regulations. A letter from the licensed Wyoming Engineer addressed to the WQD Southwest District Engineer is required as proof that a licensed Wyoming Engineer has been retained.
6. No later than 3 months from the receipt of this order, submit a signed application for a permit to construct, to include a stamped and signed design report with plans, to the WQD Southwest District Engineer for review. The permit to construct will address design standards required of public water supply systems, including adequate water supply, adequate water pressure, disinfection capability, backflow prevention, alternative power sources, distribution system design, and proper well completion and abandonment standards to comply with the standards of Chapter 12 and Chapter 11 Part F Section 59, WQD Rules and Regulations.
7. No later than 18 months from the receipt of this order, complete construction as permitted. A certificate of completion, signed by both the licensed Wyoming Engineer and the owner and returned to the WQD Southwest District Engineer, is required as proof of completion.

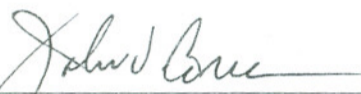

This ORDER is final unless it is appealed in writing within the ten (10) day time limit prescribed by W.S. 35-11-701(c). If a hearing is requested, the first hearing petition shall be mailed to the Chairman, Wyoming Environmental Quality Council; 122 West 25<sup>th</sup> Street; Herschler Building, 1<sup>st</sup> Floor West, Room 1714; Cheyenne, Wyoming 82002. The second petition shall be mailed to the Director, Wyoming Department of Environmental Quality; 122 West 25<sup>th</sup> Street; Herschler Building, 4<sup>th</sup> Floor West; Cheyenne, Wyoming 82002. Both petitions must be sent by certified mail return receipt requested.
