RE: Notice of Violation and Order, Docket Number 4836-11

Dear Mr. Dunn:

Attached is a Notice of Violation and Order, Docket Number **4836-11**, for an unpermitted discharge of petroleum products into the City of Cheyenne's storm sewer system. The Department of Environmental Quality (DEQ) responded to a citizen complaint on April 28, 2011 and discovered numerous barrels and containers with petroleum based products stored at the facility. Photographs were taken of the substance leaking from barrels and flowing across the property into the storm sewer. This unpermitted discharge is a violation of the Wyoming Environmental Quality Act (Act) and the Wyoming Water Quality Rules and Regulations (WWQRR).

ANY APPEALS TO THE ENVIRONMENTAL QUALITY COUNCIL FROM THE ATTACHED ORDER MUST BE MADE IN WRITING WITHIN THE TEN (10) DAY TIME LIMIT PRESCRIBED BY W.S. 35-11-701(c). Chapter I, Section 3 of the Department of Environmental Quality Rules of Practice and Procedure (<http://soswy.state.wy.us/RULES/5675.pdf>) sets forth the requirements for the initiation of appeal proceedings.

To appeal this Order and request a hearing, you must file two (2) copies of your written petition. The first petition shall be mailed to the Chairman of the Environmental Quality Council at Room 1714, Herschler Building, 1st Floor West, 122 West 25th Street, Cheyenne, Wyoming 82002. The second petition should be sent to John V. Corra, Director, Wyoming Department of Environmental Quality, Herschler Building, 4th West, 122 West 25th Street, Cheyenne, Wyoming 82002. Both petitions must be sent by certified mail, return receipt requested.
