Jim Ruby, Executive Secretary  
Environmental Quality Council

Dear Mr. Walker:

Enclosed you will find a Notice of Violation and Order, Docket Number 4786-10, issued under the provisions of W.S. 35-11-701(c). The 2010 and 2011 annual tank fees for the underground storage tanks (USTs) located at Choppers have not been paid, the USTs have been in temporarily out of use (TOU) status longer than three years, and a minimum site assessment (MSA) has not been performed at the site. The tank fees are to be paid by January 1<sup>st</sup> of each year, and an MSA is required to be performed when a UST has been in TOU status longer than three years.

Please be aware that the attached Notice of Violation contains an Order detailing what must be done to eliminate and rectify these violations. When you decide to perform the MSA, or if you decide to remove the tanks, please contact Mr. Adrian Ducharme at (307) 777-7073, and he will tell you what needs to be done.

ANY APPEALS TO THE ENVIRONMENTAL QUALITY COUNCIL FROM THE ATTACHED ORDER MUST BE MADE IN WRITING WITHIN THE TEN (10) DAY TIME LIMIT PRESCRIBED BY W.S. 35-11-701(c). Chapter I, Section 3 of the enclosed Department of Environmental Quality Rules of Practice and Procedure sets forth the requirements for the initiation of appeal proceedings. You are urged to review all provisions of the attached Rules of Practice and Procedures as they relate to this action.

If you appeal this order and request a hearing, please file two (2) copies of your written petition. One copy of the petition should go to the Chairman of the Environmental Quality Council at Room 1714, Herschler Building, 1st Floor West, 122 West 25th Street, Cheyenne, Wyoming 82002. The second petition should be sent to John V. Corra, Director, Wyoming Department of Environmental Quality, Herschler Building, 4<sup>th</sup> Floor West, 122 West 25th Street, Cheyenne, Wyoming 82002. Both petitions must be sent by certified mail, return receipt requested.

John V. Corra  
Director  
Department of Environmental Quality

Carl Anderson, PhD  
Administrator  
Solid and Hazardous Waste Division
