RE: Western Wyoming Construction Company, TFN 4 4/267

Dear Dr. Ratigan:

We have received your letter regarding the proposed issuance of a mining permit to Western Wyoming Construction Company. As allowed by Wyoming Statute §35-11-406(k), a section of the Environmental Quality Act, we are considering your letter an objection to the issuance of a permit. The Environmental Quality Council will set the date, time and place for a hearing. Terri Lorenzon, the Council's Attorney, will notify you by mail once this has been done.

The hearing will be conducted as a contested case, pursuant to the provisions of the Environmental Quality Act, the Administrative Procedure Act, and Department of Environmental Quality Rules of Practice and Procedure. To obtain a copy of the Department of Environmental Quality Rules of Practice & Procedure, check off the appropriate area of page two and return it to our office at the above address.

Thank you for your interest in this matter.

Sincerely,

Richard A. Chancellor
