Environmental Quality Council

23 April 2007

I OPPOSE THE DEVELOPMENT OF THE GRAVEL P.I. BY TELETRACTORS, LOCATED SOUTH OF PINEDALE, BECAUSE OF TWO REASONS:

1) THE ROAD TRAFFIC ON COUNTY 23-123 IS ALREADY A MAJOR ISSUE WHAT WITH THE TRAFFIC GENERATED BY THE GAS FIELD TRAFFIC -

2) RIGHT ADJACENT TO THE PROPOSED MINE (GRAVEL) SITE IS THE MAN "PUT IN" FOR FLOATERS AND FISHERMEN ON THE NEW FORK RIVER

THANK YOU
