Terri A. Lorenzon, Director
Environmental Quality Council

Teletractors, Inc
Attn: Mark Biffle

Sublette County Road & Bridge and BLM are working together to build an alternate route for Tyler Avenue. It will start at County Road 121 and end at County Road 190. We plan to finish it before the end of the year 2008 but there are several factors this road will depend on and we are only in planning stages right now.

In the meantime, please only use Tyler Avenue to haul gravel and other heavy loads down as the chip seal is not holding up on the roads you are using right now. (Granite Lane and Stone Trail.)

Thank you for your cooperation on this matter.

Sincerely,

A handwritten signature in cursive script that reads "John Penton".

John Penton
