Re: New Fork Pit, Small Mine Permit TFN 4 2/261
Sublette County, Wyoming

Dear Council Members:

According to your request, a letter was sent to the Sublette County Commissioners on June 25th informing them of their opportunity to object to our proposed Small Mine Site. They were given 10 days to respond, file an objection or approve our use of the county roads. A response was requested to help expedite the final permitting requirements.

The County Commissioners delegated the matter to Mr. John Penton, the Sublette County Road and Bridge Superintendent. Mr. Penton's letter indicating the County has no objection to the use of our roads is enclosed with this notice. As of today's date, we will consider this matter resolved to the satisfaction of all parties concerned.

Sincerely,

Kristine Bacheller
Office Manager
Teletractors, Incorporated

Re: DEQ Council - New Fork Pit TFN4 2/261

Dear Sir:

This is to acknowledge that Sublette County is aware that Teletractors, Inc will be utilizing county road 23-123 and South Tyler to gain access to New Fork Pit. Sublette County has no objection for this appropriate use until Industrial Road is completed.

Please do not hesitate to contact me if you have questions or concerns.

Sincerely,

John Penton
Superintendent
