Regarding: Small Mine Permit 4 2/261
From: Kris Bacheller

The following document letter from the Sublette County Road and Bridge is the County Commissioners response to our letter informing them of their right to file and objection to our proposed Small Mine Permit, TFN 4 2/261. Copies of our letter to the County Commissioners were sent to the required recipients on June 25th, certified & return receipt. Copies of this letter will be sent to the same recipients, certified & return receipt again, with an additional copy sent to Amy Boyle at the DEQ, Land Quality Division in Lander.

Sincerely,

Kris Bacheller, Office Manager
