We are withdrawing our appeal
 RE. Telet tractor, Dec. TENV 42/261, Docket
 no. 07-4801.

We are doing this because we
 are not able to attend the hearing
 on May 15, 2007 at the Sublette County
 Public Library, 155 S Tyler Ave.

And because we do not have
 time to prepare for a prehearing
 conference. We did not receive the
 "notice of hearing and order" until
 May 7, 2007.

We are withdrawing our appeal,
 but we still object to Telet tractor
 proposed mine
