Re: Hearing for 2M Construction, TFN 4 6/333, Docket No. 07-4802

Dear Ms. Lorenzon,

2M Construction Inc. has received the air quality permit MD-1605 to modify the 2M Pit size from 10 acres to 54 acres. There are currently three persons who have not withdrawn their objection to our small mine permit. We have been unable to reach these persons. We are hereby requesting to proceed with the hearing relating to the small mine permit.

Thank you,

Michael W. Cunningham
