Mr. Richard A. Chancellor,

I wish to inform you that I have
no objections to Construction Proposed Small
Mine, TFN. 4 6/333.

My reason for being a part of this
proposal was the following:

I live in the subdivision effected
by the proposal.

I wanted to hear first hand the
objections and also the intention of
I M Co.

I am satisfied that I M Co. will
live up to the requirements of the permits.

Yours truly
