TO: Environmental Quality Council
FROM: John V. Corra, Director, Wyoming Department of Environmental Quality
DATE: July 10, 2008
SUBJECT: 600s, Electro Win Bond Forfeiture

Attached is the information related to the failure of Electro Win to complete the reclamation of this small mining operation. The operator, Mr. Terry Hankins has not reclaimed the disturbance after three years of BLM and LQD requests. The bond is requested because he has not completed the reclamation.

I have determined that the bond for Permit 600s, Electro Win should be forfeited. I therefore seek your approval to request that the Attorney General begin bond forfeiture proceedings.

Should you have any questions, please contact the Land Quality Division Administrator.
