Pinedale, WY 81941

Dear Sirs,

I am writing on behalf of McMurry Ready Mix in regards to traffic on East Fork Big Sandy / Muddy Speedway Road near the East Fork gravel pit in Boulder. As you know, there is currently no posted speed limit on this road. Although I ask customers who use this route to refrain from using engine brakes and keep their speed limited to 35MPH while near the small residential area along this road, McMurry Ready Mix has no authority to enforce this request. I would like to ask the Commission to consider posting a speed limit and an engine brake restriction notice near the residential area on East Fork Big Sandy. My recommendation is that speed be restricted to 35 MPH within the residential area. I feel that this would reduce conflicts between drivers and residents along East Fork Big Sandy. Thank you for considering this request.

Sincerely,

Willie Wessel
East Fork Mine Manager
McMurry Ready Mix
