It is DEQ's understanding that the objectors and Croell Redi-Mix have reached an agreement and a hearing will no longer be necessary. DEQ believes the agreement incorporates into the permit the operating hours required by the Platte County Planning and Zoning Regulations, Aggregate Extraction Section.

Dear parties:

I want to confirm that you have settled your case and that there is no need for a hearing tomorrow in Wheatland. I need to know by noon today so that I can cancel our hotel, travel and library arrangements.

Thank you.
