RE: Notice of Violation, Docket No. 4868-11

Dear Mr. Good:

Enclosed you will find a Notice of Violation and Order issued under the provisions of Wyoming Environmental Quality Act, W.S. §35-11-401(a) and W.S. §35-11-701. The Notice of Violation and Order is based on the inspection conducted by Mr. Mark Moxley and Mr. Brian Wood on July 20, 2011, a copy of which has already been provided to you.

The Wyoming Department of Environmental Quality / Land Quality Division (WyDEQ/LQD) considers these violations extremely serious, given the fact that you were instructed that you must first obtain a permit prior to proceeding with mining operations. This matter has been turned over to the State Attorney General's Office. If you wish to seek settlement of this issue, please contact Mr. Luke Esch, Assistant Attorney General at 307-777-7841 within 10 days of receipt of this Notice.

Respectfully,

John V. Corra
Director
