Dear Mr. Hovander:

Enclosed you will find a Notice of Violation issued under the provisions of W.S. § 35-11-701(c). The Notice of Violation is based on the inspection conducted by Steve Platt on September 10, 2007. The violation noted was failure to reclaim.

The Land Quality Division is attempting to resolve the issue without further enforcement action, and requires that you contact Mr. Steve Platt, Scientist 2 / Senior Environmental Analyst **within fifteen (15) days** of receipt of this letter to schedule a meeting to resolve this enforcement action.

Should resolution of this enforcement action be reached as a result of this meeting, a Settlement Agreement will be signed by both parties. This agreement will outline the steps agreed to by Carbon Energy to rectify the problems, and will also state any monetary assessment associated with the Violation.
