Just letting you know. John Cash called this morning regarding the EPA's denial of their aquifer reclassification request. He wanted to know what they should do next. I offered the last paragraph of the EPA's letter as a guidance. He acknowledged this but also asked if maybe WDEQ personnel would be willing to meet w/Lost Creek and EPA about the topic. I suggested we could but we must also include WQD. He acknowledged the need in include WQD. I then suggested that he get in touch with Kevin Frederick (of WQD) first. John said he would do that. Meantime, he asked that I let you know of his inquiry. Hence this e-mail.
