Docket No. 11-4803

LOST CREEK ISR'S DESIGNATION OF APPLICATION EXHIBITS

On July 18, 2011, the parties to this proceeding executed and filed with the Council a Joint Stipulated Motion to Modify Prehearing Deadlines (the "Stipulated Motion"), whereby the parties stipulated and agreed to a bifurcated designation of exhibits. The first designations, which were exchanged by the parties and filed with the Council on July 20, 2011, included all exhibits other than those specific volumes or sections of the Lost Creek Application for Permit to Mine (the "Application") that are most relevant to the issues presented by the petitioner in the Amended Written Objections and which the petitioner may designate for use as exhibits during the hearing (such separately designated volumes or sections the "Application Exhibits"). The second designations are to include those Application Exhibits. Therefore, in accordance with the Stipulated Motion and the Presiding Officer's Order of July 7, 2011, applicant Lost Creek hereby designates and respectfully submits the following list of Application Exhibits for use as exhibits at the hearing scheduled for August 3, 2011:
