LOST CREEK ISR, LLC, TFN 4 6/268)

Docket No. 11-4803

WYOMING OUTDOOR COUNCIL'S SUPPLEMENTED LIST OF WITNESSES

Comes now the Petitioner in this matter, Wyoming Outdoor Council, by and through its attorney, Steve Jones, and hereby present its List of Witnesses as follows:

Witnesses

The Petitioners will call the following witness:

Vicki Herren
2518 Owl Creek Road
Thermopolis, WY 82443-9141
307-867-2518
vickiblue@hotmail.com

Ms. Herren is a wildlife biologist and a consultant on wildlife habitat management. She was formerly the sage grouse and sagebrush biologist for the Bureau of Land Management, Wyoming State Office. She was involved in and will testify about the development of the Governor's Executive Order on Greater Sage Grouse Core Area Protection, and concurrent policies of the federal Bureau of Land Management designed to prevent the greater sage grouse from being listed as a threatened or endangered species by the U. S. Fish and Wildlife Service. She will testify regarding the purposes and goals of the executive order and those policies, and will also testify whether the plan for the Lost Creek in situ mine complies with the terms of the said executive order and Bureau of Land Management policies.

Sophie Osborn
Wildlife Biologist
Wildlife Program Director
Wyoming Outdoor Council
121 E. Grand Ave., Suite 200
Laramie, WY 82070
sophie@wyomingoutdoorcouncil.org

Sophie Osborn serves as the wildlife biologist for Wyoming Outdoor Council. She will testify about the development of the Governor's Executive Order on Greater Sage-Grouse

Core Area Protection, designed to prevent the greater sage-grouse from being listed as a threatened or endangered species by the U. S. Fish and Wildlife Service, the purposes and goals of the executive order, and will also testify whether the Lost Creek in situ mine development plan and wildlife protection and monitoring plan comply with the terms of the said executive order.

Mark Moxley
District II Manager
WDEQ / Land Quality Division
510 Meadowview Drive
Lander, WY 82520
mark.moxley@wyo.gov

Mr. Moxley is the lead reviewer of the Lost Creek in situ uranium mine permit application for the Land Quality Division of the Department of Environmental Quality. He will be asked to testify about his review of the mine permit, particularly with regard to the wildlife, transportation, groundwater protection, groundwater reclassification, and groundwater monitoring. He will also be asked to testify more generally about DEQ/LQD rules, regulations and policies with regard to these issues.

The Petitioners may call the following witnesses:

Brian Rutledge
Vice President
Audubon Rockies
105 West Mountain Ave.
Fort Collins, CO 80524
brutledge@audubon.org

Mr. Rutledge was a member of the Sage Grouse Implementation Team that was involved in the development and implementation of the Executive Order on Greater Sage-Grouse Core Area Protection, and will testify about its purpose and goals and how actual application of the Executive Order was intended to work in the field, in real-world settings. If called as a witness, he will testify about his concerns with regard to the Lost Creek Mine application and plan and whether the mining plan meets the requirements of the Governor's Executive Order on Greater Sage-Grouse Core Area Protection.

Carol Bilbrough
Program Manager
WDEQ/LQD
122 W. 25th St.
Herschler Bldg, 3W
Cheyenne, WY 82002
carol.bilbrough@wyo.gov

Ms. Bilbrough was involved in the permitting process for the Lost Creek in situ mine and has been the main interface contact between the DEQ/LQD and the Wyoming Game and Fish Department with regard to this permit application and may testify regarding her interactions with the WGFD and decisions made by DEQ/LQD concerning compliance with the Governor's Executive Order on Greater Sage-Grouse Core Area Protection.

Nathan Maxon
Energy and Public Lands Fellow
Wyoming Outdoor Council
262 Lincoln St.
Lander, WY 82520
nathan@wyomingoutdoorcouncil.org

Nathan Maxon has expertise in G.I.S. mapping and will testify concerning maps that he has developed using GIS data, as well as aerial photography, pertaining to the Lost Creek mine permit site and surrounding area, as well as the Jonah Field site and compliance with the Executive Order on Greater Sage-Grouse Core Area Protection.

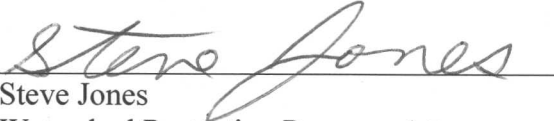

Wendy Cheung*
Environmental Protection Agency
Region 8
1595 Wynkoop St.
Denver, CO 80202
cheung.wendy@epamail.epa.gov

Ms. Cheung has been involved in reviewing the compliance for the Lost Creek in situ mine with regard to certain aspects of federal law, including the proposed groundwater reclassification for the Lost Creek mine site from Class IV to Class V groundwater. If called to testify, she will testify about the concerns of the Environmental Protection Agency with regard to the proposed groundwater reclassification in this matter.

* Please note: if Ms. Cheung is called to testify, it is likely she will need to testify by telephone, and Wyoming Outdoor Council will move to allow her testimony to be taken telephonically.

Dated this 27th day of July 2011.

Respectfully submitted,

Steve Jones
Watershed Protection Program Attorney
