RE: Strata Energy, Inc., TFN 5 5/217

Dear Ms. Durrum:

We have received your letter regarding the proposed issuance of a regular mining permit to Strata Energy, Inc. As allowed by Wyoming Statute §35-11-406(k), a section of the Environmental Quality Act, we are considering your letter an objection to the issuance of a permit. The Environmental Quality Council (EQC) will set the date, time and place for a hearing. Jim Ruby, the Executive Secretary for the EQC, will notify you by mail once this has been done.

The hearing will be conducted as a contested case, pursuant to the provisions of the Environmental Quality Act, the Administrative Procedure Act, and Department of Environmental Quality Rules of Practice and Procedure. To obtain a copy of the Department of Environmental Quality Rules of Practice & Procedure, you can access the EQC website, <http://deq.state.wy.us/eqc/index.asp>, or check the appropriate area of page two and return it to our office at the above address.

Thank you for your interest in this matter.

Sincerely,
