Subject: McMurry Mine Permit Hearing

Mark and Harriet,

The Environmental Quality Council's executive secretary, Jim Ruby, whom I've copied on this message, asked me to inquire of your clients' willingness to attend a regularly scheduled meeting on May 9th. The location for that meeting has not been set, though it will most likely be in Cheyenne or Thermopolis.

As I suspect you are both aware, Section 406(k) requires the hearing to be held within 20 days of the close of the comment period, unless the parties would agree to a different date.

Many thanks.

Jeremiah
