Jim & Jeremiah:

May 9th will work for my clients, who include the same parties I represented last go-round.

We certainly hope that you can find a way to conduct the hearing a bit closer to home. Cheyenne, or even Thermopolis will prevent several of my clients from attending due to livestock care and health issues.

Thank you.

Subject: McMurry contested case hearing

Dear Mark:

Would your clients consent to an extension of the 20 day hearing requirement once the comment period closes to May 9th, 2013? If you can let me know by the end of work tomorrow that would be great.

Sincerely,
