Subject: Objection to small mine permit Sugarland Partners`

Dear Ms. Hyche:

Thank you with speaking with me today on the phone. If you do not object to the continuance of your hearing to September 13, 2013 please let me know. The hearing will be held in Cheyenne in the Herscheler Bldg. Room 1699 and would begin at 9:00 a.m. I need all parties to agree to the continuance. So far the Department has agreed to such a continuance. If you agree I still have to get Sugarland to agree. I will call you again tomorrow if you will give me a time that is convenient for you to discuss the process in more detail.
