Dear Counsel:

The scheduling conference will be at 8:15 a.m. in the Board of Equalization Board Room, 1st floor west of the Herschler building in Cheyenne. There will not be a court reporter present unless I hear an objection from one of you. If you will be attending by phone please send your phone number to joe.girardin@wyo.gov no later than this Friday at 12:00 noon. Also after review of the objections from WOC and PRBRC there seems to be two contested issues. One is the aquifer reclassification and the second is the aquifer exemption.

Jurisdictional issues can be raised by the Council on its own motion. There is a question of whether or not the Council has jurisdiction to hear the aquifer exemption issue. Please come prepared on Monday to discuss that issue. If you have any questions please feel free to contact me.

Finally, if you are willing to receive notice and service by email instead of by regular mail please let me know as soon as possible.
