Jim:

I am available on Monday at 8:15. Also, the November 14-15 hearing dates will work for us. However, echoing Jeremiah's earlier comment, I cannot say whether two days will be sufficient, since we do not know the extent of cross-examination of the witnesses, whether PRBRC will present fact witnesses, or whether the Wyoming Outdoor Council will present any additional issues in its comments, or whether it wishes to actively participate. We can certainly discuss that question on Monday.
