Re: Objection to Seherr-Thoss Sand & Gravel Mine Permit

To Whom It May Concern:

As a property owner in the immediate area adjacent to the Seherr-Thoss gravel operation, I object to the issuance of the Seherr-Thoss Sand & Gravel Mine Permit.

Our family has owned this property since 1976 and the operation produces excessive noise and operates at times late in the evening.

I would like to participate in any hearing on this matter.

Please contact me if you have any questions.

Sincerely,

Charlene Zuckerman
