Subject: Objecting to Seherr-Thoss Sand & Gravel Small Mine Permit

Dear Ms. Nuttbrock:

As homeowners in the Melody Ranch neighborhood, we object to the issuance of the Seherr-Thoss Sand & Gravel Small Mine Permit. We expect the expansion of the gravel operation will have a major negative impact on the residents of our neighborhood. This large scale operation will lead to significant increase in air pollution, heavy truck traffic and noise pollution. Please consider the lives of the numerous families, particularly those with small children, in this neighborhood. If this goes to a public hearing, we would be interested in voicing our objections.

Thank you for your consideration of this matter.

Sincerely,

John "Tote" and Christine Turner
