Re: Objection to Seherr-Thoss Sand & Gravel Mine Permit

To Whom it May Concern:

As a property owner with small children in a neighborhood immediately adjacent to and frequently downwind from the Seherr-Thoss gravel operation, I object to the significant expansion of current operations and any issuance of an expanded Seherr-Thoss Sand & Gravel Mine Permit.

We are deeply concerned about any potential and/or significant increases of noise, air pollution, and traffic so close to a playground, in a tranquil neighborhood where many children live. I wish to participate in any hearing on this matter.

Please contact me if you have any questions and please keep me informed of any developments.

Sincerely,

Mark Aronowitz
