December 9, 2013

Dear Mr. and Ms. Thomas:

The Council received a letter from the Department of Environmental Quality that they have denied the permit of RST Sand and Gravel. You had objected to the issuance of this permit and requested a hearing before the Council. Because of the action of the Department there will not be a hearing regarding your objection. If you have any questions please feel free to call or email.

Sincerely,

Jim Ruby

Executive Secretary
