RE: EQC Aerial Flight of Adobe Town

Dear Sama;

The staff and the Environmental Quality Council members would like to thank you and the pilots for your generous contribution of time and the planes for the Council to get an aerial view of the Adobe Town area.

Comments and feedback received from the participants after the fly-over, were nothing but complimentary and amazed at how smooth the flights were. The professionalism of the pilots were proven by their expertise when approached with questions regarding the flights.

Again, thank you for your help through this process.

Sincerely,

A handwritten signature in blue ink that reads "Kim McGee".

Kim McGee
EQC Executive Assistant
