Hi Joe & Kim,

It has just come to my attention that there are private mineral rights under Sand Creek petition area. They were held by Homestake/Barrick Mining Companies. When Homestake left the Black Hills they had large tracts of land for sale along with these mineral rights.

The person who was handling the sale was Margie Winsel Boorda, Homestake Mining Company. The phone number someone had for her was out of date. Her new number is 925-817-1392 that I was given did not go through.

Steve Kozel, Chief Ranger at the Bearlodge Ranger Station, thinks Barrick (<http://www.barrick.com/ContactUs/default.aspx>) sold, sub surface mineral rights, - in maybe a large deal severed mineral rights,

Sarah at the Crook County Clerk's Office (307-283-1323) clerk, needs specific book & page and she will look up, otherwise come in early and look up. I will plan on looking it up tomorrow morning.

Attached is a copy of the map that was sent to me. Below is information about Barrick.
