In the Matter of The)
Administrative Order on Consent) Docket No.06-5400
Issued To Frontier Refining Inc.,)
A Delaware Corporation)

**OBJECTION AND MOTION TO STRIKE SUPPLEMENTAL FILING OF
COMMENTS TO FRONTIER REFINING'S PROPOSED REMEDIATION PLAN**

COMES NOW, Frontier Refining Inc. ("Frontier"), by and through its undersigned counsel, and submits the following:

I.

Arp & Hammond Hardware Company ("Arp & Hammond") recently filed a Supplemental Filing of Comments to Frontier Refining's Proposed Remediation Plan which attached "Comments" of Casey Resources, Inc. concerning purported "insufficiencies and data gaps in the Remediation Plan."

However, according to the Order Setting Motion for Hearing, the only matter which is currently before the Wyoming Environmental Quality Council ("Council") is Arp & Hammond's Motion for Leave to Intervene, as well as Frontier's, and the Wyoming Department of Environmental Quality's ("DEQ") response(s) and opposition(s) to the same.

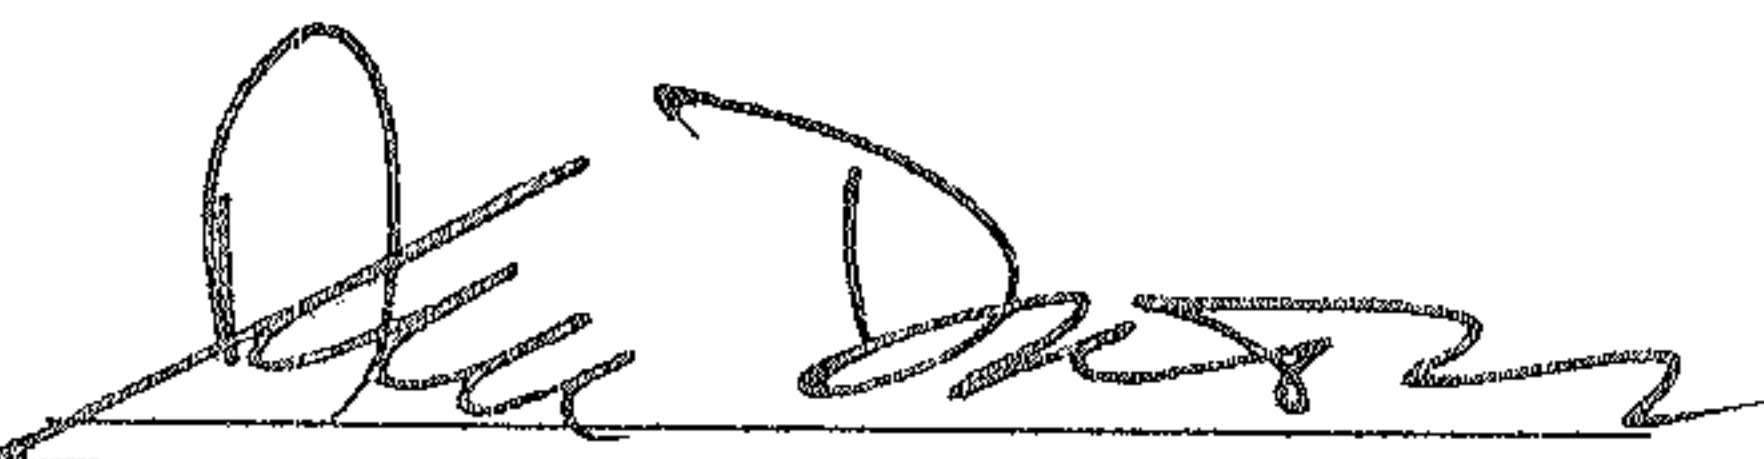

As a result, any analysis concerning the sufficiency of the Remediation Plan is not ripe for consideration and irrelevant as to whether Arp & Hammond is entitled to

intervene into this proceeding. Accordingly, Frontier objects to Arp & Hammond's Supplemental Filing of Comments to Frontier Refining's Proposed Remediation and asks that it be stricken from the record.

WHEREFORE, for the foregoing reasons, Frontier respectfully requests that the Council grant its objection to Arp & Hammond's Supplemental Filing of Comments to Frontier Refining's Proposed Remediation and strike it from the record.

Submitted this 8th day of June, 2007.
