NOTICE OF FILING NEGATING NEED FOR HEARING

On June 26, 2012, G.A. Enterprises and the Wyoming Department of Environmental Quality filed with the Environmental Quality Council a stipulation to modify contested Notice of Violation and Order number 4890-11. Pending Council approval, the stipulation to modify the order negates the need for a hearing in this case. Thus, the parties do not intend to file pretrial memoranda or participate in a prehearing conference unless the Council directs otherwise.

Counsel for G.A. Enterprises has concurred in the contents of this filing.

DATED this 26th day of June, 2012.
