Docket No.-11-5801

CITY OF SHERIDAN'S EXPERT WITNESS DESIGNATION

COMES NOW City of Sheridan, by and through their attorney, Greg Von Krosigk of Pence and MacMillan LLC and pursuant to the ENVIRONMENTAL QUALITY COUNCIL *Order dated December 7, 2011 setting final hearing for May 10th, 2012* does hereby make its expert witness designations as set forth below:

1. **Brandy Kean, PE, LEED AP**
Burns & McDonnell Engineering Co.
Denver Regional Office
9785 Maroon Circle, Suite 400
Centennial, CO 80112
Direct: 303.474.2291
Main: 303.721.9292
Fax: 303.721.0563
www.burnsmcd.com

Ms. Kean is a project manager and civil engineer for the Environmental Engineering/Solid Waste practice at Burns & McDonnell. She has facilitated and designed a multitude of projects in the solid waste field. She has worked closely with the City of Sheridan and the Wyoming D.E.Q. on the D.E.Q.'s approval of the landfill expansion which is subject to the pending dispute.

Ms. Kean will testify as to issues relating to the design and construction of the City of Sheridan's landfill expansion which is the subject of the controversy between the parties, issues related to Protestants causes of action and damages, and any other issues relevant falling within her purview, including but not limited to:

- Facility Design/Engineering Calculations
- Requested Variances (see Variance Chapter 3.0)
- Alternative Site Demonstration/Existing Permitting Facilities
- Siting Considerations
- Historical Planning Process/Integrated Solid Waste Management Plan (ISWMP)
- Public Outreach Process – with Variance and ISWMP
- Groundwater Quality
- Site Geology

Ms. Kean's testimony will be based upon the documents provided to the Wyoming D.E.Q. as part of the City's application for expansion and/or renewal, all documents referenced therein or provided as part of the discovery, as may be supplemented prior to deposition or hearing.

2. **Christopher J. Snyder, PE, RG**
Burns & McDonnell Engineering Co.
Denver Regional Office
9785 Maroon Circle, Suite 400
Centennial, CO 80112
Main: 303.721.9292
Fax: 303.721.0563

Mr. Snider serves as program manager and project manager in the solid waste management field. His expertise includes solid waste facility permitting and design, geologic/hydrogeologic and landfill-related subsurface investigation, civil engineering design, construction quality assurance, construction management, landfill gas collection system design, landfill gas/biogas beneficial reuse projects, traditional landfill final covers and evapotranspirative cover design, and various other solid waste related projects.

Mr. Snider will testify as to issues relating to the design and construction of the landfill expansion which is the subject of the controversy between the parties, issues related to Protestants causes of action and damages, and any other issues relevant falling within his purview, including but not limited to:

- Facility Design
- Site Geology/Hydrogeology
- Groundwater Quality

Mr. Snider's testimony will be based upon the documents provided to the Wyoming D.E.Q. as part of the City's application for expansion and/or renewal, all documents referenced therein or provided as part of the discovery, as may be supplemented prior to deposition or hearing.

The foregoing experts will be paid by the City of Sheridan for their time in preparing for and testifying at the hearing at their normal hourly service and travel rates.

DATED this 29th day of March, 2012.
