**UNOPPOSED MOTION TO AMEND SCHEDULING ORDER**

Petitioner Park County through its undersigned counsel, respectfully request the Environmental Quality Council amend the Scheduling Order extending the deadline for Petitioner to submit its expert designations and reports from June 14, 2013 to June 21, 2013. As grounds therefore, Petitioner Park County, Respondent Big Horn County, and the Wyoming Department of Environmental Quality are meeting on June 13, 2013 to discuss potential resolution of the issues presented in this case and, should a resolution be found, extending the deadline will conserve the resources of all concerned. No other change to the existing schedule is proposed.

Petitioner's counsel has consulted with counsel for Big Horn County and counsel for Wyoming Department of Environmental Quality who do not object to this request.

WHEREFORE, Petitioner respectfully requests that the Scheduling Order be amended to allow Petitioner until June 21, 2013 to submit its expert designation.

A proposed order granting this request is provided herewith.

DATED this 12<sup>th</sup> of June, 2013.
