IN RE: OBJECTIONS TO MAJOR PERMIT)
AMENDMENT FOR THE NORTH BIG)
HORN #2 LANDFILL)

DOCKET 13-5801

Jim Ruby, Executive Secretary
Environmental Quality Council

JOINT MOTION FOR STAY

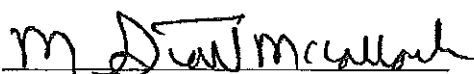

Petitioner Park County, Respondent Big Horn County Solid Waste Disposal District and the Wyoming Department of Environmental Quality, through their undersigned counsel, respectfully request the Environmental Quality Council enter a 45 day stay in the above captioned action for the purpose of allowing the Parties additional time to pursue resolution of the issues presented in this case without a hearing.

On June 13, 2013, representatives of the Parties met in Cody, Wyoming to discuss potential resolution of this matter. While a final resolution was not achieved, the Parties are encouraged that this matter can be settled without a hearing and agreed that a stay while discussions continue will conserve the resources of the Parties and the Council. The parties therefore jointly request that this matter be stayed for 45 days until August 1, 2013. The parties will inform the Council on or before that date whether settlement has been achieved. In the event settlement is not achieved, the parties will so inform the Council and request a new hearing date and schedule at that time.

WHEREFORE, the Petitioner, Respondent and the Wyoming Department of Environmental Quality respectfully request that the Council grant a 45 day stay in the above captioned matter. A proposed order granting the same is attached hereto.
