Re: 4W Ranch Objections to NPDES Permits WY0051217, 0051233, & 0051373, DOCKET NO. 04-3801

Dear Lady and Gentlemen:

In an effort to clear the Environmental Quality Council's docket of cases that have been inactive for an extended length of time, I have reviewed the 4W Ranch case. The objection to these NPDES permits was filed on June 3, 2004. Since then, the only document filed in this case was the entry of appearance, filed on August 18, 2004.

If you continue to need a hearing in this matter, please file a case update on or before 4:00 p.m., July 15, 2005. If no action is taken on this case, it will be considered for dismissal at the Council's next meeting.

Thank you for your attention to this matter.

Sincerely,

Joe F. Girardin, Paralegal
Environmental Quality Council
