Dear Gentlemen:

In an effort to clear the Environmental Quality Council's docket of cases that have been inactive for an extended length of time, I have reviewed the above mentioned case. The Petition for Review, Notice of Appeal and Request for Hearing was filed on January 27, 2006. The last document filed

in this case was the Intervention Order for Yates Petroleum Corporation filed on April 6, 2006.

If you continue to need a hearing in this matter, please file a case update on or before 4:00 p.m., September 29, 2006. If no action is taken on this case, it will be considered for dismissal at the Council's next meeting.

Thank you for your attention to this matter.

Sincerely,

Joe F. Girardin, Paralegal
Environmental Quality Council
