DEQ'S REQUEST FOR ADDITION TO SCHEDULING CONFERENCE ORDER

The Wyoming Environmental Quality Council's (EQC or Council) Scheduling Conference Order, dated May 29, 2007, filed June 5, 2007, in the above-captioned matter directs that all discovery, both written and oral, shall be completed by November 1, 2007. Chapter II, Section 10(b) of the Wyoming Department of Environmental Quality (DEQ) Rules of Practice & Procedure provides that the Council may govern the conduct of discovery and the time limitations involved. In order to expedite the discovery process in this case, the DEQ requests the following addition to the hearing schedule set forth in the Council's Scheduling Conference Order:

(1) By August 1, 2007, the parties shall designate all expert witnesses they will or may call to testify at the hearing, and for each expert witness list his/her credentials and publications and identify the subject matter, opinions and grounds for each opinion to which the expert will testify.

Respectfully submitted this 8th day of June, 2007.
