Jim Ruby, Executive Secretary
Environmental Quality Council

Jim,
PAW is in the process of formulating a formal letter asking for a request for comment extension until such time as the Council schedules further action or until such time as the Council acts on DEQ's request to withdraw the rule making. However, the purpose of this email is to ask that you check with the Council prior to the September 30 deadline. Please inform me if you require the formal notice prior to calling a meeting with the Council.
Thanks
John
