Environmental Quality Council
Mr. Jack Ruby
122 West 25th
Herschler Building, Room 1714
Cheyenne, WY 82002

Dear Mr. Ruby:

The Washakie County Commissioners request that the Environmental Quality Council conduct a socio-economic study regarding coal bed methane and oil and gas water discharge. We strongly urge you to use someone with the qualities such as Mr. Tex Taylor to conduct the study.

If you need any additional information from us please do not hesitate to contact us at 347-6491.

Sincerely,

Terrence D. Wolf, Chairman
Washakie County Commissioners
